SCHOLARSHIPS AND FELLOWSHIPS FOR STUDENTS OF COLOR

- INROADS
The mission of INROADS is to develop and place talented minority young people in business and industry and prepare them for corporate and community leadership.
- Lagrant Foundation
The LAGRANT Foundation seeks to enhance the academic and professional development of undergraduate and graduate ethnic minority students pursuing careers in advertising, marketing and public relations by providing scholarships, career and professional development workshops, mentors and internships.
- SEO Seizing Every Opportunity
SEO's mission is to place underrepresented students of color into paid summer internships. SEO places interns in banking, private equity, corporate leadership, law, non-profit and other business sectors. Students receive competitive pay, rigorous training, support through mentors, and broad access to full-time professionals and industry leadership.
- The Getty Foundation Multicultural Undergraduate Internship
The Getty Foundation aims to encourage greater diversity in the professions related to museums and the visual arts. The program provides funding for internships at cultural organizations across Los Angeles.
- T. Howard Foundation
The T. Howard Foundation is an internship program for minority students interested in the multimedia and entertainment industry. In addition to a full-time paid summer internship, it also provides interns with networking opportunities, professional development training, scholarships, and mentors.
- United States National Park Service
The Cultural Resources Diversity Internship Program provides a career exploration opportunity for diverse undergraduate and graduate students ages 18-25 in historic preservation/cultural resources work. The program places interns with National Park Service park units and administrative offices, other federal agencies, state historic preservation offices, local governments, and private organizations.
